To do it all, you need these new and proven Yamaha Enduro products.

For quieter riding, try the new Yamaha-Skyway Super Silencers/Spark Arrestors.

And to brace yourself for the roughest terrain — try our Double-loop Concave Fork Brace and super-strong High Mount Fender Assembly.

While out in the rough or the wet — you'll appreciate unique Yamaha MX Foot Pegs that keep you from slipping.

You'll also appreciate the protection from all kinds of riding abuse that you get when you're in a new Yamaha two-piece Antron-Nylon All Weather Riding Suit.

And for quick ons and offs, our Metric Socket Screw Kits fit all your various covers, available for many Yamaha models.

Before you go, add on extra room to take a friend or a thing along — with precisely engineered Luggage Rack/Buddy Seats, and Buddy Pegs!

Everything for Enduro riding and more, now at your Yamaha dealer (he's in the Yellow Pages).
