PUBLISHED SEPTEMBER 1965

REF. 954/65

TRIUMPH GUARANTEE

1. In this Guarantee the word “machine” refers to the motor cycle, scooter, motor cycle combination or sidecar as the case may be, purchased by the Purchaser.
2. In order to obtain the benefit of this Guarantee, the Purchaser must have correctly completed the registration form and returned it to us within fourteen days of the purchase.
3. We will supply, free of charge, a new part in exchange for, or, if we consider repair sufficient, will repair free of charge any part proved within six months of the date of purchase of any new machine, (three months overseas) or within three months of its renewal or repair in the case of a part already renewed or repaired, to be defective by reason of our faulty workmanship or materials. We do not undertake to bear the cost of fitting such new or repaired part or accessory.
4. Any part considered to be defective must be sent to our Works, carriage paid, accompanied by the following information:—
 - (a) Name of purchaser and his address;
 - (b) Date of purchase of machine;
 - (c) Name of dealer from whom the purchase was made;
 - (d) Engine number and model.
5. This Guarantee shall not extend to defects or damage appearing after misuse, neglect, abnormal stress or strain, or the incorporation or affixing of unsuitable attachments or parts and in particular:—
 - (a) Hiring out;
 - (b) Racing and Competitions;
 - (c) Adaptation or alteration of any part or parts after leaving our Works;
 - (d) The attaching of a sidecar in a manner not approved by us or to an unsuitable motor cycle.

This Guarantee shall not extend to machines whose trade mark, name or manufacturing number has been altered or removed, or in which has been used any part not supplied or approved by us, or to tyres, saddles, chains, speedometers, revolution counters and electrical equipment or to parts supplied to the order of the Purchaser and different from our standard specification.
6. Our liability and that of our dealer who sells the machine, shall be limited to that set out in this guarantee, and no other claims including claims for consequential damage or injury to person or property, shall be admissible. All other conditions and warranties statutory or otherwise and whether express or implied are hereby excluded and no guarantee other than that expressly herein contained applies to the machine to which this Guarantee relates or any accessory or part thereof.
7. We reserve the right to modify or deviate from the Published Specification without notice.

REPAIRS GUARANTEE

1. Whilst the highest standard of workmanship and materials is aimed at, we cannot accept liability for any defects appearing more than three months after the machine, assembly or component has left our Works after being repaired.
2. We will repair or replace at our option free of charge any defective work, materials or parts relating to the repairs carried out by us appearing within that time but shall not be under any further or other liability for any other loss or damage whether direct or consequential and our liability shall be limited to the cost of so making good. We do not undertake to bear the cost of fitting any replacement or repaired part.
3. We do not accept liability in respect of parts of proprietary manufacture, e.g. tyres, saddles, chains, speedometers, revolution counters and electrical equipment which may be used by us in effecting a repair. All other conditions and warranties statutory or otherwise expressed or implied are hereby excluded.

MODEL GROUPING CHART

Parts unique to particular models are indicated by model number in the "Remarks" column.

Bonneville 120

650 c.c.

Designed to offer the really expert and skilful rider all the power and performance which he can possibly need, the Bonneville 120 is, surely, the most potent, fully equipped, road machine in standard production today. It is powered by the celebrated Triumph 650 c.c. twin cylinder engine with twin carburettors, which at the time of going to press holds the World Speed Record for two wheeled machines of 224.57 m.p.h. Outstanding among 1965 competition successes was the Bonneville's outright win in the gruelling International 500 Miles Production Race at Castle Combe.

The 500 mile Production Machine Race at Castle Combe in Wiltshire is the most gruelling International event of this type in the racing calendar. In July 1965, a Bonneville 120, ridden by Dave Degens (in picture) and Barry Lawton, was the outright winner from an original entry of over 40 starters.

Thunderbird 650 c.c.

Triumph's modern approach to motorcycle design and production is clearly reflected in the handsome appearance and mechanical perfection of this famous model which is renowned for its smooth, effortless performance – with or without a sidecar.

The Thunderbird's consistent, day-in, day-out reliability makes it the automatic first choice of the fully competent rider who drives his machine hard and expects it to earn its keep. A choice which is endorsed by a long tradition of exemplary service with police forces, military units and other government departments all over the world.

New Front Brake with 44% increase in area and more rigid drum.

Trophy 650 c.c.

The ultimate in rugged, sporting motorcycles, with all the power and stamina needed to win major events, regardless of conditions, the Trophy has earned an unrivalled, world-wide reputation for sheer performance and staying power. Consistent winner of gold medals in the International Six Days' Trial and successes in the toughest of American enduros, this machine's breathtaking acceleration and superb roadholding characteristics provide even the most experienced sportsman with the supreme satisfaction of an exhilarating ride.

A SELECTION OF TRIUMPH

Of the many Triumph successes during 1965, the following results were achieved in events officially approved for factory entries.

Victory Cup Trial
Best 500 c.c. John Giles Tiger 100

Bemrose Trophy Trial
200 c.c. Award Ray Sayer Tiger Cub

Scottish Six Days' Trial
200 c.c. Award Ray Sayer Tiger Cub
Manufacturers' Roy Peplow Tiger Cub
Team Award Ray Sayer Tiger Cub
Gordon Farley Tiger Cub

Lamborelle Trial
200 c.c. Award Roy Peplow Tiger Cub

Manx Three Days' Trial
Unlimited Award John Giles Trophy
Gold Medal John Giles Trophy
Gold Medal Roy Peplow Tiger 100
Gold Medal Ray Sayer Tiger 90

SUCCESSES IN 1965

Army Three Days' Trial
Premier Award Ken Heanes Trophy
Manufacturers' Association Award Gordon Farley Tiger Cub
Gold Medal Ken Heanes Trophy
Gold Medal Roy Peplow Tiger 100
Gold Medal Gordon Farley Tiger Cub

International 500 Mile Road Race, Castle Combe
1st Overall D. Degens Bonneville 120
B. Lawton

International Six Days' Trial
Gold Medal Roy Peplow Tiger 100
Gold Medal Ray Sayer Tiger 90
Silver Medal Ken Heanes Trophy
Bronze Medal Gordon Farley Tiger Cub

This was the best performance by a British Manufacturer

West of England Trial
200 c.c. Award Roy Peplow Tiger Cub

World Speed Record quoted in this catalogue was attained at Bonneville Salt Flats, Utah, in September 1962.

(6T, TR6) 2 E2900	Exhaust guide
De-coke Gasket Set	All models D/GS1

HOW TO USE THIS PARTS CATALOGUE

First check that the engine number of your machine is subsequent to that quoted on the title page.

Next consult the index on Page 5 for the parts or group of parts which you wish to locate. When you have located the parts make sure from the end columns that the part you have located does apply to your machine.

List the quantities required as single units; do not ask for "2 pairs" or "3 dozen".

In case of painted items always state the colour required. Painted parts are available only in the colours or alternatives specified for that model of that particular year.

<i>Model</i>	<i>Colour</i>	<i>Suffix Letter to Part No.</i>
6T	BLACK/SILVER	W/V
U.S.A. 6T	GRENADIER RED/ALASKAN WHITE	GR/AW
TR6	PACIFIC BLUE/ALASKAN WHITE	PB/AW
T120	GRENADIER RED/ALASKAN WHITE	GR/AW

N.B. Pacific Blue is a flamboyant finish applied over Silver Sheen.

Paint is available also in all colours in $\frac{1}{4}$ pint or 1 gallon tins, or Aerosol containers.

PLEASE NOTE

THROUGHOUT THIS LIST, ASSEMBLIES ARE PRINTED IN CAPITALS AND THE COMPONENTS INCLUDED IN THAT ASSEMBLY ARE INDENTED IN THE DESCRIPTION COLUMN, REVERTING TO THE ORIGINAL ALIGNMENT WHEN THE ASSEMBLY IS COMPLETE. TO ORDER THE COMPLETE ASSEMBLY IT IS NECESSARY ONLY TO QUOTE THE ASSEMBLY NUMBER. ANY COMPONENT PARTS LISTED MAY ALSO BE OBTAINED SEPARATELY IF REQUIRED.

SPECIAL WORKSHOP TOOLS

A COMPLETE LIST OF WORKSHOP TOOLS CAN BE MADE AVAILABLE BY EITHER CONTACTING YOUR DEALER OR APPLYING DIRECT TO THE TRIUMPH SERVICE DEPARTMENT. IN MOST CASES THESE TOOLS ARE VERY COSTLY AS THEY ARE MADE ENTIRELY FOR WORKSHOP USE, AND THEREFORE, IT IS NOT RECOMMENDED THAT THE PRIVATE OWNER PURCHASES THE TOOLS IN ORDER TO AID SERVICING THE MACHINE ONCE OR TWICE ONLY. IN THESE CIRCUMSTANCES IT IS FAR MORE ECONOMICAL TO GET IN TOUCH WITH A RECOGNISED DEALER.

TRIUMPH SPARES

HOW TO ORDER. Every part is indicated by a number, and this should be quoted together with the description. In order to assist customers, dimensions have been given in many cases where parts are similar. Parts where possible have been listed in order of assembly and a number of the illustrations show the assembly order also. With these aids, there should be no difficulty in identifying the parts you require.

ALWAYS HEAD YOUR ORDER WITH THE ENGINE NUMBER, STAMPED ON THE LEFT SIDE OF THE ENGINE JUST BELOW THE CYLINDER, TOGETHER WITH THE PREFIX LETTERS.

WHERE TO OBTAIN. Triumph Spare Parts can only be obtained from an authorised Triumph Dealer, and we recommend our customers to place their orders with the Triumph Dealer in their district. When parts not usually asked for are required, and for which the Dealer may have to write or obtain specially, the postage or carriage incurred becomes payable.

TRIUMPH SPARES ARE NOT SUPPLIED TO PRIVATE OWNERS DIRECT FROM THE FACTORY. A LIST OF AUTHORISED DEALERS WHO STOCK TRIUMPH SPARES IS AVAILABLE ON REQUEST. IF DIFFICULTY IS EXPERIENCED IN OBTAINING THE REQUIRED PARTS, THE MATTER SHOULD BE TAKEN UP DIRECTLY WITH THE TRIUMPH SPARES DEPARTMENT.

Customers are warned against the risk incurred by purchasing parts that are not of genuine Triumph manufacture. This risk is eliminated if parts are ordered as instructed from recognised Dealers.

PATTERNS AND PARTS FOR REPAIR. It is not necessary to send patterns if the part number is quoted. The sending of patterns often delays the order as parcel post or rail takes longer than letter post.

Parts sent to Coventry for repair, replacement, or as patterns should bear the sender's Name and Address and clear instructions should accompany the parts. In your own interest send a copy of the advice note under separate cover. All parts must be forwarded carriage paid and care should be taken to ensure that all remittances are sent separately and not enclosed with the parts. Fragile units such as cylinders, etc., should always be boxed to avoid damage in transit. Complete machines should have all fitments such as windscreens, driving mirrors, tools, etc., removed by the sender before despatch, as it is impossible for us to accept responsibility in the event of loss in transit. We are always pleased to give estimates for overhauling and repairs, but should an estimate not be accepted, a charge will be made covering cost of dismantling and re-assembling, if carried out.

Communications relating to Parts should be addressed to the SPARES DEPARTMENT and for repairs, guarantee claims and technical advice to the SERVICE DEPARTMENT, Triumph Engineering Co. Ltd., Meriden Works, Allesley, Coventry. In order to facilitate quick reference, the quoting of any number, invoice number or reference from previous communications is essential. Accessories not of our manufacture should be sent direct to the actual makers, whose Names and Addresses appear below.

PROPRIETARY GROUP

Ancillary equipment which is fitted to our motor cycles is of the highest quality and is guaranteed by the manufacturers and not by ourselves. Any repairs or claims should be directed to the actual makers or their local agents who will always give owners every possible assistance. The following are the addresses of the various manufacturers:—

CARBURETTORS.

Messrs. Amal Ltd.,
Holdford Road,
Witton,
Birmingham, 6.

CHAINS.

Renold Chains Ltd.,
Wythenshawe,
Manchester.

ELECTRICAL EQUIPMENT.

Messrs. J. Lucas Ltd.,
Gt. Hampton Street,
Birmingham, 18.

TYRES.

Dunlop Rubber Co. Ltd.,
Fort Dunlop,
Birmingham, 24.

The Avon India Rubber Co. Ltd.,
Melksham,
Wilts.

SPARKING PLUGS.

Champion Sparking Plug Co. Ltd.,
Feltham,
Middlesex.

SPEEDOMETERS.

Messrs. Smiths Motor Accessories Ltd.,
Cricklewood Works,
London, N.W.2.

SUSPENSION UNITS.

Messrs. Girling Ltd.,
Birmingham Road,
West Bromwich,
Staffordshire.
