Always keep a written copy of your phone orders.

Call on Saturday, Sunday or Monday for fast service and avoid end of month calls. Call at night, lines are usually less busy.

IMPORTANT

Husqvarna is not liable for quantity or part number errors on phone orders. The normal restocking fee will be charged on these returns.

P.U.S.H. SHIPMENTS

Husqvarna Dealers are able to order parts through a service called P.U.S.H. (parts using special handling).

A-7b

5. Be sure to sign your name at the bottom.

RETURN POLICY

A parts coordinator will research your report and advise you if your request has been approved or denied.

Husky Products or Husqvarna Spare Parts returned due to defect will be replaced. No credit will be issued.

1. You must request back-order status on every order (mail or phone). An order received without back-order indication will be considered no back-orders.
2. The unavailable item (or items) must be over \$5.00 dealer cost.

BACK ORDER NOTIFICATION

Every invoice you receive will have an up to date back-order listing for your Dealership.

Make sure you include your dealer name, dealer number, the part number, quantity and invoice number pertaining to your cancellation.

*Back order cancellation forms are available upon request, free of charge. Please see page 2, this section, under "written orders." Order just as you would parts order forms.

We are not responsible for items shipped before we receive cancelation.

Sorry, no phone cancelation.

PARTS BULLETINS AND UPDATES

You will receive monthly mailings from Husqvarna with news about parts, new services, sales and new items.

It may not be necessary to file all bulletins (example: If a sale is good for 30 days, it may not be wise to file it.) But permanent information will be numbered. Please place these in the back of your parts section in your Husqvarna Dealership Operations Guide.

MULTIPLE PARTS

Several items, nuts, bolts, washers, gaskets, etc., which are fast sellers are sold in multiples of two (2), five (5) or ten (10).

These parts are marked on your micro-fiche parts price guide.

The part will be shipped via the same method requested on your original order, when possible.

The new catalog is automatically sent to current Husqvarna owners and press releases are mailed out to the motorcycling press throughout the year.

POLICY AND PRICING

Husky Products follow the same policies set-up under the parts section.

Price information may be found on your current parts micro-fiche price guide.

NEW ITEMS AND UPDATES

Monthly mailings will contain new Husky Products as well as price and availability information. Some updates do not need to be filed. Important bulletins will be numbered and should be placed in the appropriate section of your Dealership Operations Manual.

PARTS PURCHASE BONUS PROGRAM

We will continue to offer a bonus plan which will benefit all Husqvarna dealers who plan stocking orders.

This Parts Bonus Program will be based upon each parts order you make with us through either the San Diego or the Mansfield location.

If, for example, you happen to order a very large order through Mansfield and they don't stock all the items you order, we will ship the balance (if in stock) from San Diego and deduct the appropriate percentage bonus for the total dollar amount shipped from both warehouses for that order.

Sorry, but we cannot count any items which are back ordered from both warehouses.

Following, you will find the detailed program with invoice amounts and discount percentage given.

We hope this program will be beneficial to you and we feel you can profit with it by planned parts ordering.
