COPY OF B.S.A. REPAIRS GUARANTEE

1. Whilst the highest standard of workmanship and materials is aimed at, we cannot accept liability for any defects appearing more than three months after the machine, assembly or component has left our works after being repaired.

2. We will repair or replace at our option free of charge any defective work, materials or parts relating to the repairs carried out by us appearing within that time but shall not be under any further or other liability for any other loss or damage whether direct or consequential and our liability shall be limited to the cost of so making good. We do not undertake to bear the cost of fitting such repaired part or accessory.

3. We do not accept liability in respect of parts of proprietary manufacture, e.g. tyres, saddles, chains, speedometers, revolution counters and electrical equipment which may be used by us in effecting a repair. All other conditions and warranties statutory or otherwise express or implied are hereby excluded.

KOPIE DER B.S.A. REPARATUR-GARANTIE

1. Wir bemühen uns die höchste Fertigungsqualität zu erreichen, und wir verwenden die erstklassigsten Werkstoffe. Jedoch können wir trotzdem keine Haftung für Mängel übernehmen, die später als drei Monate, nachdem eine Maschine, Untereinheit oder Teil nach Reparatur unser Werk verlassen hat, auftreten.

2. Gemäss unserer Wahl reparieren oder ersetzen wir kostenlos innerhalb der obengenannten Frist alle schadhaften Teile, die im Zusammenhang mit den von uns ausgeführten Reparaturen stehen. Desgleichen machen wir innerhalb der obenerwähnten Frist alle fehlerhafte Arbeit gut, die mit den von uns ausgeführten Reparaturen zusammenhängt. Ferner ersetzen wir auch innerhalb des obengenannten Zeitraumes alle mangelhaften Werkstoffe, die im Zusammenhang mit den von uns ausgeführten Reparaturen stehen. Jedoch übernehmen wir keinerlei weitere oder andere Verpflichtung für andere Verluste oder Schäden, die direkt mit den von uns ausgeführten Reparaturen zusammenhängen oder als Folge solcher Reparaturen entstehen. Desgleichen beschränken sich unsere Verpflichtungen auf die Kosten der Wiedergutmachung und schliessen die Kosten der Montage von reparierten Teilen oder im Zusammenhang mit der Reparatur gelieferten Zubehörteilen nicht ein.

3. Für Teile und Zubehörteile (z.B. Reifen, Sattel, Ketten, Geschwindigkeitmesser, Umdrehungszähler und elektrische Ausrüstung), die nicht von uns hergestellt werden, anderer Herkunft sind und bei von uns ausgeführten Reparaturen Verwendung finden, übernehmen wir keinerlei Haftung. Alle anderen Bedingungen und gesetzlichen Verpflichtungen, die hier nicht ausdrücklich erwähnt oder miteinbegriffen worden sind, sind von der vorliegenden Garantie ausgeschlossen.

B.S.A. SERVICE**(UNITED KINGDOM ONLY, ROYAUME UNI SEULEMENT, NUR VEREINIGTES KONIGREICH, REINO UNIDO SOLO)**

When you purchase a B.S.A. machine you become the owner of a product which is backed by the most comprehensive motor cycle service in the world. The following notes are intended to give a guide to the facilities to the B.S.A. owner. Detailed information on any aspect of B.S.A. service may be obtained by discussion with your B.S.A. dealer or on application to the factory Service Department.

REPLACEMENT PARTS

The moderate price at which B.S.A. replacement parts are available, has been maintained by making full use of trade distribution channels, with the consequent advantages of large consignments delivered from the works with lower handling, packing and transport costs. For this reason, we do not normally supply spares direct to individual owners, and all requests for replacement parts should be made to your local dealer or spare parts stockist. All B.S.A. dealers carry stocks of B.S.A. replacement parts, but the officially appointed spare parts stockists, whose names and addresses are quoted in the following pages, maintain an extensive and comprehensive range. B.S.A. owners are strongly advised to fit genuine B.S.A. replacement parts only. Risks are incurred in not always insisting on the genuine component, and these risks are eliminated if parts are purchased only from our recognised dealers.

B.S.A. EXCHANGE REPLACEMENT SERVICE

The B.S.A. Exchange Replacement Service is of great value to all B.S.A. owners. It is particularly useful to those who rely on their machines for daily transport, and who cannot afford to have them off the road for more than a few hours at a time. Under this scheme the owner can exchange any worn or otherwise unserviceable unit, such as engine, gearbox, forks or wheels, for a fully-guaranteed factory-assembled replacement unit. These units are ready for immediate use, and are supplied at fixed prices on the understanding that the old units which they replace are not damaged to a degree where they are not capable of being reconditioned.

All genuine B.S.A. Exchange Replacement units carry the full three months warranty. Most B.S.A. dealers and officially appointed spare parts stockists are able to supply genuine exchange unit from stock. If this cannot be done, they can obtain the unit for you quickly from the works, and make arrangements for it to be fitted to your machine, afterwards returning the old unit to us. In this way the machine need only be off the road long enough for the conversion to be made. Full details of this scheme can be obtained from your B.S.A. dealer, and an explanatory leaflet and price list will be sent upon request to B.S.A. Service Department.

CORRESPONDENCE

We maintain a skilled staff to help you with any query, technical or otherwise which you may have concerning your B.S.A. machine. We are always anxious to help, and all correspondence should be addressed to us at:—

B.S.A. MOTOR CYCLES LIMITED, Service Department, Armoury Road, Birmingham 11.

REPAIRS

(1). All motor cycles, engines or components for repair should be consigned to the factory Service Department at the following address:—

COPIE DE LA GARANTIE B.S.A. RELATIVE A REPARATIONS

1. Bien que le but que essayons d'atteindre soit de fournir des pièces de la plus haute qualité et d'assurer une exécution irréprochable nous ne pouvons accepter aucune responsabilité pour des défauts qui se manifestent plus de trois mois après la date où la machine, l'ensemble ou la pièce quitte nos usines après réparation.

2. Nous réparerons ou remplacerons gratuitement, à notre charge, tout travail défectueux et toute matière ou pièce défectueuse ayant rapport au travail exécuté si les défauts se manifestant avant le terme de la période citée ci-dessus mais nous ne pouvons accepter aucune responsabilité supplémentaire à l'égard d'autres pertes ou d'avaries, soit directes soit indirectes et notre responsabilité sera limitée au prix de réparation ou de remplacement indiqué. Nous ne supportons pas les frais de montage d'une pièce ou de l'accessoire réparé.

3. Nous n'acceptons pas de responsabilité à l'égard de pièces et d'accessoires fabriqués par d'autres fabricants, par exemple, pneus, selles, chaînes, compte-kilomètres, compte-tours, appareils électriques etc., dont nous pouvons nous servir pour exécuter une réparation. Toutes autres conditions et garanties, réglementaires ou autres, expresses ou tacites sont par ces présentes exclues.

CPIA DE LA GARANTIA B.S.A. RELATIVA A REPARACIONES

1. Mientras que aspiremos a suministrar piezas de la más alta calidad y asegurar una ejecución perfecta de todo trabajo de reparación no podemos aceptar responsabilidad alguna con respecto a imperfecciones que puedan mostrarse después de un término de tres meses desde la fecha en que la máquina, el conjunto o la pieza sale de nuestra fábrica después de la reparación.

2. Segun nuestra opción repararemos o reemplazaremos a nuestra carga todo defecto de trabajo, de materia o de piezas tocante a la reparación ejecutada por nosotros que se muestra dentro del término citado arriba pero no aceptamos responsabilidad alguna para otro siniestro o otra avería sea directo o indirecto y nuestra responsabilidad se restringirá al valor de restitución. No nos encargamos del costo de montar piezas o accesorios reparados.

3. No aceptamos responsabilidad alguna para piezas o accesorios de otros fabricantes, es decir neumáticos, sillines, cadenas, velocímetros, contagiros y equipos eléctricos que podrían emplearse para una reparación. Todas otras condiciones y garantías estatutarias o no, expresas o denotadas son excluidas por este acto.

Full instructions must accompany all items sent to us for repair. If we are simply asked to overhaul a machine all component parts will be completely dismantled and inspected, all worn parts will be renewed and the machine reassembled and tested to original standards.

(2). When sending complete motor cycles, accessories such as windscreens, panniers, Club badges, tools and inflators, should be removed as they are liable to be damaged or lost in transit.

(3). It frequently happens that parts are forwarded to us which do not bear the senders name and address. Care in this respect will prevent delay and annoyance.

(4). All goods consigned to us must be sent carriage paid.

(5). Immediately we receive a part for repair, an acknowledgment and confirmation of your instructions is posted to you. If you have occasion to enquire by letter or telephone about the progress of the repairs, please follow the instructions printed on your form of acknowledgment.

SERVICE LITERATURE

An Instruction Book is supplied free of charge with each machine and contains all the information required for routine maintenance, and top overhaul. For the normal owner this book will cover all the work that he is likely to undertake. Further copies of Instruction Books to cover all post-war and most pre-war models are available from the Service Department.

For the guidance of dealers and other skilled mechanics, the Service Department also issues Service Charts to cover each model. These Charts contain detailed instructions for complete dismantling and overhaul, and describe the special tools and jigs which are necessary for this purpose. The B.S.A. owner who has considerable mechanical experience, and feels that he is competent to carry out this more skilled type of work may obtain copies of the Service Charts from the Service Department.

Additional Instruction Books are priced 3/- plus 6d. postage, and the Service Charts 1/8d. plus 6d. postage. The complete set of four charts covers dismantling and rebuilding the entire machine.

HOURS OF BUSINESS

Our Service Department is open from 8.30 a.m. to 5.30 p.m. Monday to Friday, excepting holiday periods and we are pleased to see B.S.A. owners, and if necessary, to inspect and advise on the condition of their machines.

We cannot guarantee, however, to be able to service any machine if a call is made without an appointment, and even when calling by appointment, an owner should be prepared to leave his machine with us, in case the work cannot be completed on the same day.

A commissionaire is always on duty to receive machines brought to the Service Department by appointment at any time of the day or night, on any day of the week, and similar arrangements are made for collection. Any machine delivered to us after hours should, however, be accompanied by full instructions in writing, together with the owner's name and address.
